GUÍA COLORSNAP® WEB

Cómo utilizar la herramienta digital.

1

Ingresa a:
[Sherwin-Williams.com/visualizer](https://www.sherwin-williams.com/visualizer)

2

Da clic en
"Paint a Photo"

The screenshot displays the Sherwin-Williams website's ColorSnap Visualizer interface. At the top, there is a navigation bar with links for Homeowners, Help, and My Store: Find a Store. The Sherwin-Williams logo is on the left, and a search bar is in the center. Below the navigation bar, there are several menu items: Paints & Supplies, Color, Inspiration, How To, Special Offers, and Buy Paint. The main content area features a breadcrumb trail: Homeowners > Color > Try on Colors > ColorSnap® Visualizer for Web. A red circle with the number '2' highlights the 'Paint a Photo' button in the navigation bar. Below the navigation bar, there is a section for Pottery Barn with the text 'Complete the look with furnishings from Pottery Barn.' and a large image of a living room. The living room image shows a white sofa, a fireplace, and a coffee table. A color palette is visible on the right side of the image. At the bottom of the image, there are icons for light, moon, and sun, and a 'MORE SCENES' button. The color code 'SW 6939' is displayed in a teal box at the bottom left.
